

Internet Resources for Spanish Study

Our new textbook, Realidades, has many activities to make your Spanish study more fun. Simply go to:

http://www.phschool.com/foreign_languages/

1 - click on “**textbook companion sites.**”

Click on “Realidades,” then click on your appropriate level.

Navigate to your current Tema or Capítulo and choose from the large variety of practice activities, songs, games, puzzles and practice tests that you find there.

2 – Simply enter a **web code** from your textbook in the space provided to the lower left of the screen.

3 – Click on “**interactive textbooks,**” and sign in. Your user name is your Spanish class name_last name. For example: Julio_Smith. Your password is your six digit student number.
