

Chapter 1 Writing Assignments

Vocabulary/Speech

1. Write two anagram poems from the words in Chapter 1. One of your words must be at least 11 letters long. Each poem should be related to the word it is based upon. EX: A poem using “centenarian” should be about a person who is 100 years old or older.
2. Using all of the vocabulary words at least once, construct 10 “story problems.” These must be typed and include space for answers to be filled in. A typed answer sheet must also accompany your problems. EX: A triumvirate bought a baker’s dozen of cookies for each member of the group. How many cookies total were purchased? Answer: 39 cookies.

DUE: Tomorrow!

Anagram Example:

Brace (A pair)

Bicycling is fun, across the countryside
Racing around on two wheels
Acting as though I haven’t a care in the world
Careening ‘round corners as
Excited to show off my new bike

The above poem would work because a brace is a pair of something, and a bike has two wheels.
