

## uwill **Research 101** Searching Worksheet

\*Required fields

**Your name:\***

**To:\***   
(Recipient's email address - separate multiple addresses by commas)

**class & section:\***

**research topic:**

### 1. Searching Databases:

Based on the disciplines you choose under TOPICS, **list the names of 4 databases** you think should have information useful to your research **and list your reasons for selecting each**. Your answer should reflect what you know about a database's scope, coverage, and disciplinary orientation:

**Database 1**

**Database 2**

**Database 3**

**Database 4**

### 2. Searching Information:

Perform a search for information relevant to your research for each database above. **List below the exact search statement you used**, (including which specific fields you searched) **AND whether or not the search was effective**.

**Database 1**

**Database 2**

**Database**  
**3**

**Database**  
**4**

Fields with an asterisk (\*) must be completed.
